

What's up Chris the loser!?! I'm just kidding.

WONDER

There is a lot to explain. so hear me out mate!

IK (I know) I don't write much and I usually get my mom to text your mom, but I only want to talk to you specifically, and we both know our moms always read the messages beforehand. I'm so sorry for the argument at your house but, if i'm being completely honest, it was way - and I mean way - worse in the car! The rumours are true, which is really bad, i'm going school and we BOTH know that im ded (I know that's spelt wrong it's our old joke) meet - right. The only 'good' things isn't even good, only funny as the principal's name is Mr Tushman! LOL! XD! Anyways - as you can see - loads of things have happened, unfortunately not all good. Im terrified Chris - and I know you must be for me too - Im going to Beecher Prep! Not via's school, that is far to big for me,

Im so apprehensive (yes i've been practising my vocabulary). Mum, Dad, Via and anyone else wouldn't know this but im mad at my mom as she litterally forced me to go to school even though I told her that I didn't wanna go! Oh and, I heard my dad saying my face wasn't normal, IK it is not but it hurts. I mean I do normal things, I play Xbox, ride my bike, and everything you do. Anyways what have you been up to!?

I met Mr Buttman OMG I mean Mr Tushie OMG I mean Mr Butt O, M, G I mean Mr TUSHMAN lol! I also met another key person, Mrs Garcia she was respectful but everyone tries to do that. I get this odour that she is very kind. Hope that's not the first impression.

I GTG! Bye mate - plz send a letter back -. Later Loser
