

MATHS:

Daily arithmetic will take place each morning. Arithmetic is a fundamental branch of mathematics and acts like the basic building blocks for more complicated and advanced topics. This term we will also have daily maths lessons and cover the following topics:

- **Capacity and Temperature**
- **Fractions**
- **Time**
- **Position and Direction**
- **Statistics**

ENGLISH: All children will have a 1 hour English lesson daily.

This term we will be writing a variety of genres. We are starting with instructions which links to the DT work we have already completed on designing and making healthy wraps. We will then go on to explore a book called 'The Jampires'. This book will be the stimulus for our subsequent writing. We will showcase our understanding of this book by writing descriptions, stories and diaries.

All children will have a daily phonics/reading lesson. Each phonics/reading lesson will be at 8.45-9.30am. Read Write Inc helps all children learn to read fluently and at speed so they can focus on developing their skills in comprehension, vocabulary, and spelling. Pupils who have mastered the RWI Programme will be reading a variety of Year 2 texts.
