Dear Parents/Carers

During lockdown, we decided not to reinforce our PE policy, as we had more important things on our minds. However, now that school is back to 'almost normal', we want to help you get the right PE kit for the children. The main reason is that many of the children are wearing their own football shirts and they are getting torn or damaged and this is causing the children distress. So, Miss Atkinson has worked her magic and managed to get a deal with a local clothes manufacturer to provide us with cheap PE shirts. If you follow the link you can get a PE kit very cheap, which is a lot more suitable than the latest Barcelona top that costs goodness knows how much.

Reminder of dates:

Friday 17 th December	School closes

Friday 18 th February	School closes for half term
Monday 28 th February	INSET day

Finally, I want to prepare you for potential disruption to schooling next year. After watching the press briefing last night, it is clear we are headed towards a very difficult time with the new variant. We have been told that schools will be the last things to close, however I want to tell you that **we** are preparing for online learning so that, should the worst happen, your child's education will not be disrupted.

Have a wonderful Christmas and New Year.

Yours sincerely
