

# Tennis Knowledge Organiser

<b>Year: 6</b>				
<b>Term: Summer 2</b>				
<b>Background information for teachers and pupils</b>				
As in all units, pupils develop physical, social, emotional and thinking whole child objectives.				
In this unit pupils develop their racket skills when playing tennis. They learn specific skills such as a forehand, backhand, volley and underarm serve. Pupils develop their tactical awareness including how to play with a partner and against another pair. They are encouraged to show respect for their teammates as well as their opponents when self managing games. Pupils are also given opportunities to reflect on their own and other's performances and identify areas to improve.				
<b>Key Knowledge</b>				
Pupils should:				
<ul style="list-style-type: none"> <li>• Enjoy communicating, collaborating and competing with each other.</li> <li>• Develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.</li> <li>• Be taught to use running, jumping, throwing and catching in isolation and in combination.</li> <li>• Be taught to play competitive games, modified where appropriate (for example badminton, basketball, cricket, football, hockey, netball, rounders and tennis), and apply basic principles suitable for attacking and defending.</li> </ul>
