### Key Knowledge

- Christians believe that God gives good things in answer to prayers. This is good news for all who believe in him. Read Luke 11:9-13. Christians use this and the Lord’s prayer (Luke 11:2-4) to help them remember that God loves humans and has given them many gifts.
- In the Lord’s prayer, Christians ask for forgiveness. This is good news. Christians ask God for forgiveness when they have done something against him. Christians thank God for the good gifts that they receive. Everyone feels better if they give thanks to other people.
- Read Luke 17:11-19 - the story of the ten lepers. This story shows Jesus healing one man with leprosy. This person had faith in Jesus to heal him and because of this, he was healed. This act showed Jesus being a friend to the friendless.
- Read Matthew 13:45-46 – the Parable of Great Price. This is a short parable of Jesus about a man who loved pearls and he found one which he thought that he was the best in the world and sold all of his possessions to get it. Christians believe that God is the One who matters the most but anyone can get distracted. They believe that Jesus’ teachings make people think about the right way to live and whether everything is as important as they think.
