Dear Parents and Carers

As part of our commitment to sharing our teaching and learning strategies with you, we would like to invite you to a model maths lesson workshop.

We have planned the workshops to include a modelling of a typical maths lesson, whilst sitting alongside your child. In our planning of the workshops, we thought this would be a valuable time for both learning of our maths lesson structure and of your child's engagement and participation within a typical lesson.

The lesson workshops will take place in the school's main hall – led by your child's year group teachers. Given the limited space, we look forward to welcoming one adult to work alongside your child.

In order to support our planning and anticipation of the lesson workshop - as well as setting up the hall with adequate tables and chairs – we would really appreciate a return of the slip below indicating your wish to join your child in our planned maths lesson workshop. Thank you.

If you have any questions, please do not hesitate to speak to your child's class teacher.

The dates and times for the maths workshops for each year groups are as follows: -

Monday 11 th March	Year 2	2.15pm
Tuesday 12 th March	Year 4	2.15pm
Thursday 14 th March	Year 1	2.15pm
Monday 18 th March	Year 3	2.15pm
Wednesday 20 th March	Year 5	2.15pm
Thursday 21 st March	Year 6	2.15pm

Yours sincerely

Mr S Arnold
Executive Headteacher

CHILD'S NAME:

YEAR/CLASS

I would like to attend the maths lesson workshop, providing the opportunity to work alongside my child.

If circumstances change and I am not able to attend, I will inform my child's class teacher.
